Andy Masters

How To ENGAGE & INSPIRE *Today's Generation Of Student!*

Andy Masters presents entertaining and inspirational programs on student success and career development for high school and college students across the country. He then shares his techniques with Faculty/Staff on how to motivate and engage students, while sharing what really makes this generation of student "tick." Andy explores the use of humor, pop culture references, incorporating technology that speaks their language, and citing young success stories that bring cool careers & majors to LIFE. *Andy helps inspire us to inspire our students to even greater heights!*

"Andy Masters' presentation was ENGAGING and his message DYNAMIC! Andy was not only humorous, but insightful, and upbeat! His appearance at our Conference was more than just a quick motivational speech - it was an event that will be remembered by all in attendance and a message they will carry forward both personally and professionally!" - Libby Livings-Eassa, 2008 President, Florida Career Pathways Network (FCPN)
